Practice

In addition to the monthly in-person practice, in 2023 we have added a second online session that will focus on Living Reiki, the other will continue to be a self-reiki class. Living a Reiki Life topics will include manifestation, crystals, space cleansing and more.

To ensure that you still have value for money if you cannot make it to all the practice sessions. We have increased the discount from 10% to 15% off the early bird price. In 2023, we will have online classes that will be discounted as well.
